

A very large space inside, all at saloon level, was the absolute condition at designing this range together with the impressive styling and attractive lining.

Adding the sensational performance we realize that this means an enormous leap forward in the (steel) yacht builder world. A mediterranean beauty with a refined mix of colours and materials combined with the functional, down-to-earth character of the Northerner.

## Specification

Length over all	10,86m
Hull beam	3,6m
Draft	1,1m
Max engine power	75hp
